

Alumni News

WELCOME

Welcome to our first Alumni Newsletter for 2020. We are putting together a newsletter once a term to keep our alumni connected and up to date with what is happening at WSHS.

You may be aware a new principal was appointed in 2019, Trevor Hunter. Mr Hunter came to us from Byford Secondary College and has expressed a strong commitment to enhancing the role of our Alumni in the life of our school

We would like to help you advertise any reunions. Please contact us on the email below and we can post them on our WSHS Alumni Facebook page. We'd also love photos of your reunions to post!

How WSHS progressed through COVID 19.

What a year this has been!

- Towards the end of Term 1, many families had their children studying from home and teachers presenting many classes online.
- In Term 1 week 9, majority of students started their term break. This allowed teachers to work on the new curriculum for Term 2, delivered online.
- Year 10s missed out on their first exams, although Year 11 and 12 students completed theirs on a revised schedule.
- NAPLAN was cancelled, however there will be opportunities for our Year 9s to complete the OLNA instead.
- WSHS has been chosen to be part of the State Government COVID-19 Detect Program, testing staff and students over the coming months. A wellbeing survey will also be conducted.

THANK YOU!

A big thank you to the many hundreds of our Alumni that completed our recent survey. Many of you have volunteered your time to help out our current students with public speaking, mentoring, tutoring, and work experience. We are looking forward to these programs progressing with many positive partnerships in the future

Save the date:

We are currently looking at organising a networking event for our Alumni members. It will be held at **WSHS on Wed Sept 16 at 5 – 6.30pm.**

This will offer you the opportunity to meet our Principal, Trevor Hunter and network with other Alumni members.
