## REUNITE WITH WSHS

It was wonderful to see so many of our Alumni at our Reunite with WSHS Event last week. Many enjoyed a tour of the school and saw the new facilities and buildings built in recent years.

A BIG thank you for the offers of mentoring, tutoring, work placements and speaking to our current students. The response from our Alumni has been overwhelming to say the least. It is wonderful to have such a strong Alumni to call on to give back to the school in so many ways.

*We would like to help you advertise any reunions. Please contact us on the email below and we can post them on our WSHS Alumni Facebook page. We'd also love photos of your reunions to post.*

### Goings-on .....

- Excursions (inside WA) have started again. Much to the students' delight!
- Class routines are back to normal from the first week of term.
- Our Career and Enterprise students in senior school set up their own businesses and sold yummy treats over a two-week period to showcase their entrepreneurship. Money raised went to different charities.

- Many fun activities were organized for students during HaSS Week. The week commenced with a Welcome to Country and Smoking Ceremony, performed by Neville Collard.
