NB: All correspondence, other than the enrollment package, will be via email

FAQs

Are 'out of school boundary' applicants accepted?

Yes, we accept and enrol a limited number of students from outside our school boundary in Years 7 through to 11.

If my child is not accepted can he/she try again?

Yes, we have had students trial again in subsequent years, some successfully and some not.

Is height a consideration?

Yes and we take into account that taller children take longer to develop their coordination and motor skills.

Are scholarships available?

No. We are a self-funded program and all students are required to pay a course fee. This fee is used to cover the cost of facility hire and equipment.

Do you provide board for country students?

No. We will assist country students attempting to find a suitable boarding arrangement if they have no relatives in the metropolitan area.

What happens if my child is injured or ill on the trial day?

On the production of a medical certificate we will arrange an alternative trial date.

How does the selection process work?

- Every applicant is assessed through sports specific fitness testing as well as basketball skills, drills and game play
- Every applicant is assessed on their natural athletic ability, as well as their coachability and attitude
- Work ethic and aptitude are considered
- Applicants are compared with each other and the appropriate fitness standards
- School reports / references and coaching references are considered

What is the expectation of my child if selected?

- Attend all coaching sessions and train with intensity
- Attain an academic standard commensurate with their ability
- Become a positive role model at Willetton SHS in all areas of school life
- Represent Willetton SHS in basketball when selected
- Strive to play at the highest level of club basketball available in WA

What basketball club do you expect my child to play for?

We prefer to see the students stay with the club they are already involved with unless from the country or interstate.

What is the after school time commitment expected of my child?

- Years 7, 8, 9 and 10 have virtually no out of school time commitment unless selected to represent Willetton SHS at senior level.
- Senior students are expected to train once a week after school and to play after school games during terms 1 and 2.

Do you accept late applications?

Only in exceptional circumstances or where the applicant was unaware they would be moving to Perth or Western Australia.

When do applications close for the 2021 intake?

Applications and all references MUST be received via email by the school on or before **Friday 3 June 2022**.

Can I return my application via Australia Post or in person as hard copy?

No. ALL information must be received through the online application process. If this process is not working please contact us using the following email address

Willetton.shs.basketballprogram@education.wa.edu.au
