

School-based VET programs are delivered on the school site as part of a student's regular timetable. All school-based VET programs involve a partnership between WSHS and Registered Training Organisations so that students can achieve a VET qualification that is delivered at school as part of a student's Year 11 and/or 12 course selection:

Willetton Senior High School has partnered with Skills Strategies International (RTO 2401) through an auspice arrangement to deliver the following vocational qualifications:
